

# The ABC of ATCG for TB

*From commercial molecular diagnostics to next generation sequencing.*

## Speakers:

Associate Professor Vitali Sintchenko

Director Centre for Infectious Diseases and Microbiology, The University of Sydney

Dr Chris Coulter

Director Queensland Mycobacterium Reference Laboratory

Associate Professor Lachlan Coin

Institute for Molecular Bioscience, The University of Queensland

Dr Sushil Pandey

Chief Scientist, Queensland Mycobacterium Reference Laboratory

Mr Arnold Bainomugisa

Research scholar, Institute for Molecular Bioscience, University of Queensland

## Topics:

Using genomics to track TB outbreaks

Using genomics to inform drug resistance testing

Advances in bioinformatics and long read sequencing

### Registration:

<https://arinex.eventsair.com/ictmm-2016/form1>

### Date

9am – 1pm, 18<sup>th</sup>  
September 2016

### Location

Institute for Molecular  
Biosciences, University  
of Queensland, St  
Lucia
